Lee Co.

Chancery Causes: Creed Shuler vs. Orlan Shuler

CA-Divorce
T-Nices

To the Honorable H. S. K. Morrison
Judge of the Circuit Court of Lee
County Virginia.

Humbly complaining your orator
bered Shuler would respectfully show
into your honor that he is a citizen of
said county and state of Virginia and has
been domiciled therein for more than
one year before the bringing of this suit.
that on or about the day
he married his present wife Arlean Shuler
and they lived together as man and wife
until when she became untrue
to him and would not stay at home
and he became satisfied that she was
guilty of acts of adultery and they separated
and he has not lived or cohabited with her
since and he is well satisfied and therefore
charges that his said wife has been guilty
of frequent acts of adultery since their
separation as well as before and that said
acts of adultery were not committed by
his procurement or connivance and that
they were committed within five years
of the institution of this suit. The object of
this bill is therefore to obtain a divorce from
the bonds of matrimony now existing
between your orator and his said wife and

that the said marriage be wholly dissolved
and to effect this he prays that the said
Orlean Shuler be made a party defendant
to this bill and be required to answer the
same on oath and that upon a hearing
a decree to this end be rendered in favor
of your petitioner and for all other further
and general relief, May Your issue be
all he will ever pray - &
